

## PROJECT UPDATE: SUMMER 2011

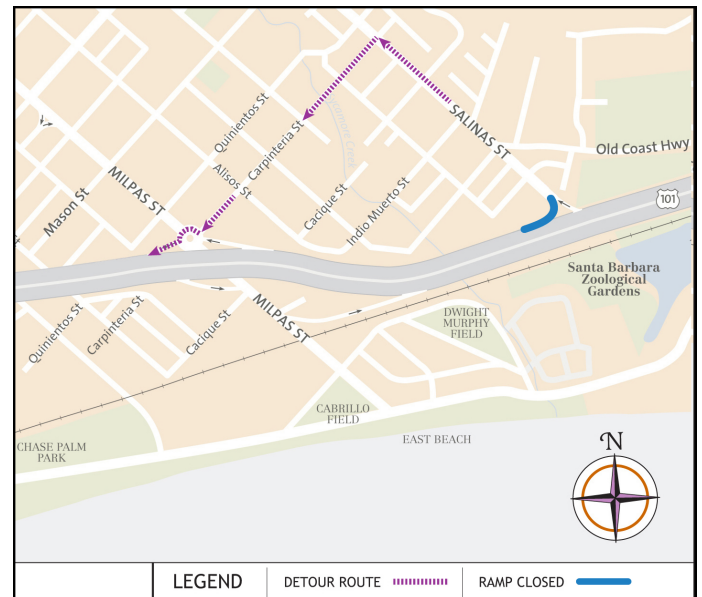

### HWY 101 OPERATIONAL IMPROVEMENTS BETWEEN MILPAS AND HOT SPRINGS

#### HWY 101 WIDENING AT SALINAS STREET

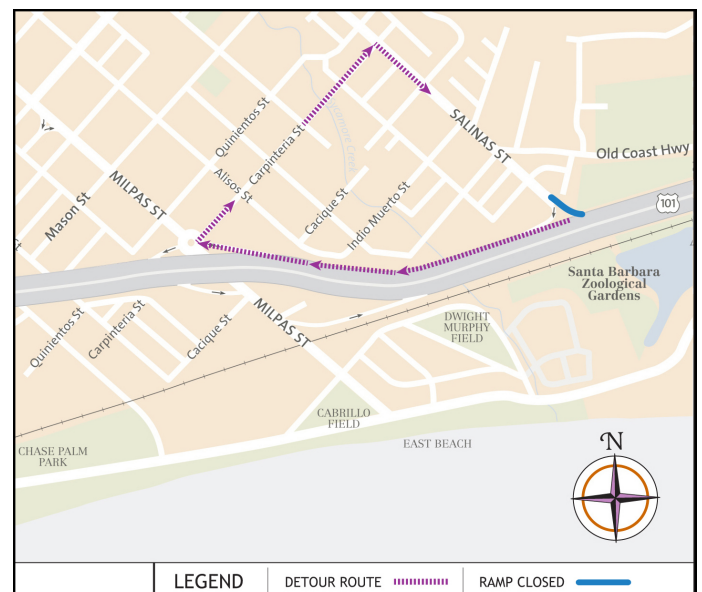

Caltrans, SBCAG, and the City of Santa Barbara are widening northbound Hwy 101 at Salinas St. as a new addition to the Hwy 101 Operational Improvements. Based on community requests, a new northbound Hwy 101 third lane will be added and the northbound Hwy 101 on and off-ramps at Salinas St. will be realigned. Work will occur between summer 2011 and early 2012.

During construction, the northbound Hwy 101 on and off-ramps at Salinas St. will be closed between mid-July 2011 and December 2011. During the closures, there will be signed detours on Milpas St. and Carpinteria Ave. (see detour maps). Between December 2011 and early 2012, crews will finish up widening work in the median.

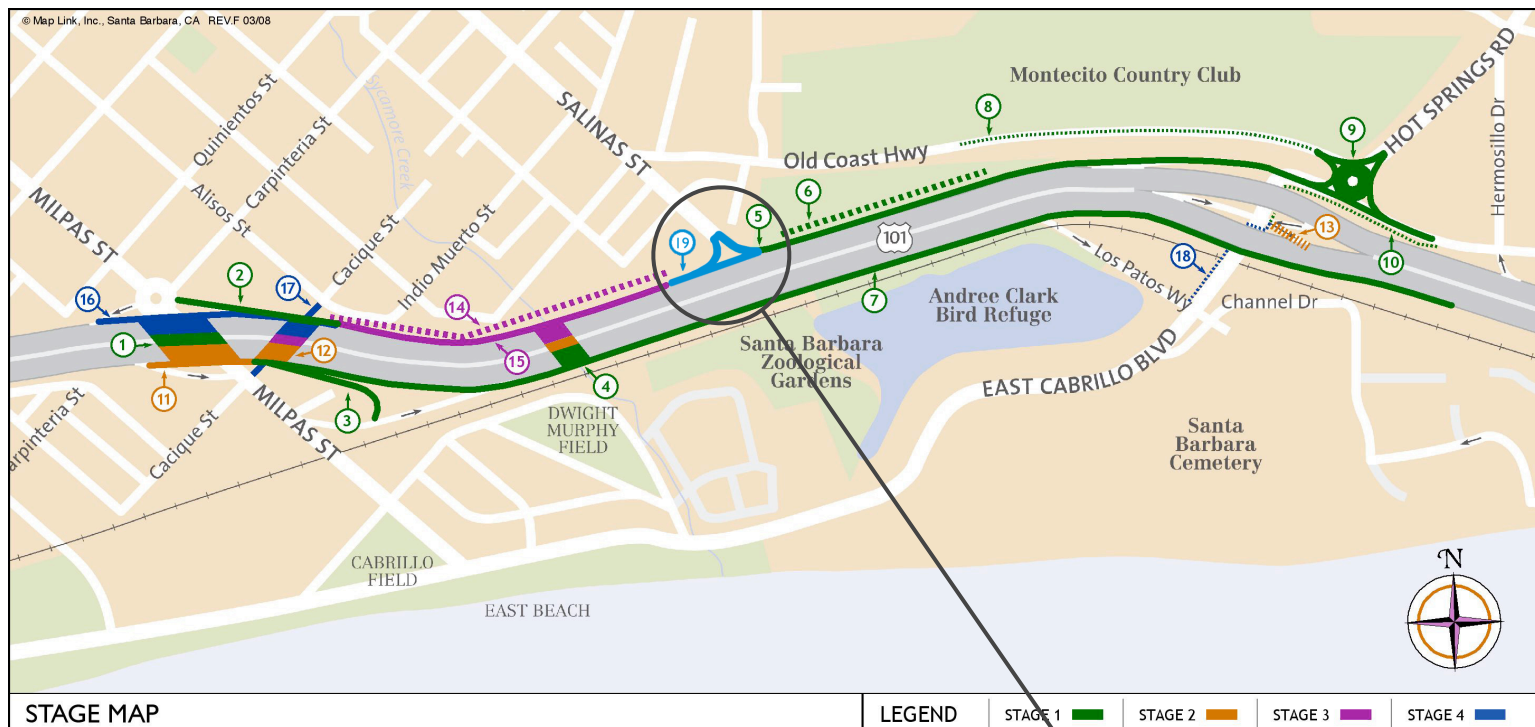

Throughout work, Hwy 101 will have at least 2 lanes open in each direction during the day. Some nighttime lane closures will occur. Salinas St. will remain open during this widening project.

#### DETOUR MAPS JULY 2011 - DECEMBER 2011

# ROADWAY IMPROVEMENTS

## STAGE I (2008 -2009)

1. REPLACE MILPAS BRIDGES
